

## Marco Apollo

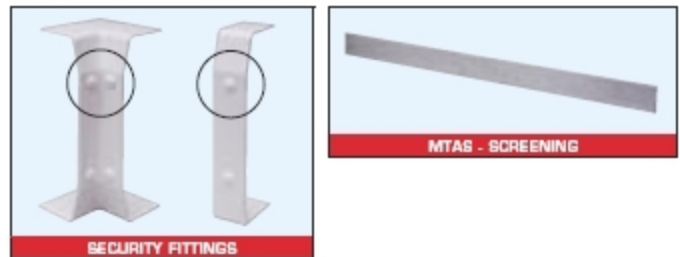

four compartment dado & skirting trunking

Available in both dado and skirting versions, Apollo four compartment trunking offers separate compartments for power, data and telecommunication cables. This new four-compartment Apollo trunking provides two large centre compartments, ideal for those applications where larger data needs exist.

| Code No  | Description                      | Pack Size |
|--|----------------------------------|-----------|
| MT4K1  | 4 compartment trunking extension | 4 x 3m    |
| <b>Code No Dado Trunking - Fittings</b>                          |                                  |           |
| MTDT4  | Flat tee                         | 1         |
