

Unique **One Man** Installation

## 19" **WIT** WALL CABINETS

There is innovation in every aspect of this Wall-mountable cabinet. The **WIT** standard features comprise of Sliding Side Panels, 2 Sections (rear section acts as mounting template) One-lock Security Systems, Toughened Smoked Glass Front Door and 2 Fully Adjustable 19" Panel Mounts.

Aesthetically, it complements our floor-standing range and again functionality and ease of installation are the key features and benefits.
